Subject: Construction Update

Dear Resident,

Look Back

KR Swerdfeger has finished the paving for Beckers and extraction of PRV #1.

Current

KR Swerdfeger is currently working on the paving for Crystal Park and water and sewer on Dudley. They are working on the water and sewer in Grand. They also have crews working on PRV #1 & #19 and working on the waterline in Lincoln. Residents on Grand may park on Park during the construction period.

Look Ahead

We hope to start work on Grand Ave and Manitou Ave near Minnehaha.

Todd Cartwright PE, LEED AP
Project Engineer
